Classified By: RSO WILLIAM MELLOTT, REASONS 1.4 (c) and (d)

[1](#)1. (S/NF) On 09/12/05, core EAC met to discuss RefTel received after regular work hours. Members in attendance were DCM, RSO, POLM, OMC.

[1](#)2. (S/NF) Members discussed the veracity of the RefTel and the potential impact on post operations. Core EAC decided that while the information was sketchy and vague, there was some nexus with the ongoing Al-Huthi trials in Sanaa. EAC agreed that post is maintaining a level of vigilance and awareness commensurate with the current atmosphere in Sanaa. EAC also agreed that this information does not warrant an increase in Post's security profile, until receipt of additional detailed threat related information.

[1](#)3. (S/NF) POLM advised it would provide tearline information to the ROYG Political Security Organization (PSO) and National Security Bureau (NSB) to ascertain if they had any additional information. All members agreed to continue monitoring the Al-Huthi trials and work with their respective local security sources to gain any additional information on the matter.
